Subaru XV 2.0i-S AWD

# designed with attitude, built for fun

Take fun to the next level with the newly imagined 2021 Subaru XV AWD, the original and multi award-winning compact SUV.

Awesome underpins every element of this new design with sports inspired styling, contemporary exterior lines, new front bumper, front grille and fog light surround, plus striking new alloy wheels. The 2021 line-up also features six variants and a new eye-popping colour, including two Hybrid newcomers.

Built for adventure with its All-Wheel Drive capability and Subaru's X-Mode, the new XV provides greater control to help tackle different terrains. And while the engine pumps out an enviable performance, the new and highly responsive Subaru Intelligent Drive (SI-Drive) injects more enjoyment into every ride.

Although incredibly fun, the XV retains Subaru's trademark safety with a suite of superior improvements and upgrades – including innovative EyeSight® Driver Assist and Subaru's Vision Assist technology giving you peace of mind to really enjoy the drive.

Subaru XV 2.0i AWD

# get there in style

Experience for yourself the indescribable feeling of driving the new XV AWD. From the super comfy and spacious interior loaded with an impressive array of features to the intuitive and easy to use infotainment tech, this is the compact SUV that others envy.

Stay connected and entertained with Apple CarPlay® and Android Auto™ connectivity<sup>1</sup> that puts selected smartphone content right where you want it. Digital radio<sup>2</sup> brings you a wide choice of stations. Legendary Symmetrical All-Wheel Drive (AWD) and Boxer engine performance means better grip and control on all surfaces. And with Auto Vehicle Hold driver fatigue can be managed by holding the vehicle in position when stopped.

The wide and sporty stance shows off Subaru's new front grille and fog light surrounds, while the refreshed front bumper and new look 17" alloy wheels redefine the SUV's dynamic attitude.

## Subaru XV 2.0i AWD features

### Performance

- + Symmetrical All-Wheel Drive (AWD)
- + 2.0-litre horizontally-opposed Boxer 4-cylinder, direct injection petrol engine
- + Lineartronic® CVT with manual mode
- + Maximum power output: 115kW@6000rpm
- + Maximum torque: 196Nm@4000rpm
- + X-Mode
- + Subaru Intelligent Drive (SI-Drive) – 2 mode

### Interior

- + 60/40 split folding rear seats
- + Air-conditioning – climate control
- + Cloth seat trim – choice of charcoal or grey
- + Electronic parking brake
- + Manual seat height lifter – driver
- + One touch lane change indicator

### + Paddle gear shifters

- + Smart key and push-start ignition
- + Tyre Pressure Monitoring System (TPMS)
- + USB charge port – centre console (x2)

### Exterior

- + 17" alloy wheels
- + Body coloured door mirrors with indicators – power-folding
- + Daytime Running Lights – halogen
- + Front and rear mud guards
- + Front fog lights
- + Halogen headlights with auto off
- + Rear spoiler and rear window wiper
- + Rear view reverse camera
- + Roof rails
- + Wheel arch mouldings

### Entertainment/Technology

- + Auto door lock/unlock
- + Bluetooth®<sup>3</sup> wireless technology
- + Cruise Control
- + Integrated infotainment system featuring:
  - + 6.5" LCD touchscreen
  - + Apple CarPlay® and Android Auto™ connectivity<sup>1</sup>
  - + Digital radio<sup>2</sup> (DAB+)
  - + Siri®<sup>4</sup> compatibility
- + Multi-Function Display unit (MFD) with 6.3" LCD screen
- + Multi-Information Display unit (MID)
- + USB connection – front centre console

1. Compatible Apple® or Android™ device required. 2. Digital radio reception not available in all areas. 3. Bluetooth® is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the Bluetooth® wireless technology specification of individual device. 4. Requires compatible Siri® enabled Apple® device to be paired with the infotainment system.

# world-class tech

On top of the exceptional ride and handling you get from Subaru's legendary combination of Symmetrical All-Wheel Drive (AWD) and horizontally-opposed Boxer engine, the Subaru XV 2.0i-L AWD includes Subaru's award-winning EyeSight® Driver Assist technology.

A cutting-edge system that watches the road ahead for potential obstacles and can alert you if a hazard is detected and will activate braking to help you avoid trouble altogether. Brilliant stuff. There's an extra-large 8" LCD touchscreen infotainment system and power-folding door mirrors to keep them out of harm's way when parked on narrow streets. And with dual zone climate control air-conditioning and premium cloth trim, you and your friends can enjoy next level luxury.

## Subaru XV 2.0i-L AWD features

### Performance

- + Symmetrical All-Wheel Drive (AWD)
- + 2.0-litre horizontally-opposed Boxer 4-cylinder, direct injection petrol engine
- + Lineartronic® CVT with manual mode
- + Maximum power output: 115kW@6000rpm
- + Maximum torque: 196Nm@4000rpm
- + X-Mode
- + Subaru Intelligent Drive (SI-Drive) – 2 mode

### Interior

# life doesn't get any better than this

Fun knows no limits when you step up to the Subaru XV 2.0i-S AWD. The ultimate in technology and luxury with the addition of 18" alloy wheels and silver roof rails, as well as leather accented and heated front seats, Steering Responsive Headlights (SRH) and LED front fog lights.

It even has Subaru's Vision Assist driver technology that helps monitor your blind spots for obstacles and to help detect obstacles whilst in reverse and can automatically apply the brakes if required. Genius.

**Subaru XV 2.0i-S AWD**

Subaru XV Hybrid L AWD

# switch on to the future

The new Subaru XV Hybrid L AWD brings you attitude and fun in a dynamic, affordable package. Loaded with fresh tech, this new model also unveils a striking look - with silver lower side cladding - making the popular Subaru XV even more appealing.

Boasting Subaru's e-Boxer technology, the set up is a fusion of seamless hybrid engineering that teams power from a compact battery and electric motor, with the petrol engine. The drive can be cleverly enhanced by Subaru Motor Assist - which automatically combines power sources under certain conditions to improve the driving experience. The end result, is a Subaru to drive you into the future.

## Subaru XV Hybrid L AWD features

### Performance

- + Symmetrical All-Wheel Drive (AWD)
- + 2.0-litre horizontally-opposed e-Boxer 4-cylinder, direct injection petrol engine
- + Lineartronic® CVT with manual mode
- + Maximum petrol engine power output: 110kW@6000rpm
- + Maximum petrol engine torque: 196Nm@4000rpm
- + Maximum electric motor power output: 12.3kW
- + Maximum electric motor torque: 66Nm
- + X-Mode
- + Subaru Intelligent Drive (SI-Drive) – 2 mode
- + e-Active Shift Control

### Interior

- + Air-conditioning – climate control
- + Leather steering wheel and gear shift

- + Manual seat height lifter – driver
- + Paddle gear shifters
- + Premium cloth seat trim – charcoal
- + Smart key and push-start ignition
- + Tyre Pressure Monitoring System (TPMS)
- + USB charge port – centre console (x2)

### Exterior

- + 17" alloy wheels
- + Body coloured door mirrors with indicators – power-folding
- + Front fog lights – LED
- + Halogen headlights with auto off (dusk-sensing)
- + Rain-sensing front windscreen wipers
- + Rear view reverse camera
- + Roof rails – silver slim
- + Wheel arch mouldings

### Entertainment/Technology

- + Auto door lock/unlock
- + Bluetooth®<sup>1</sup> wireless technology

  - + connectivity<sup>2</sup>
  - + Digital radio<sup>3</sup> (DAB+)
  - + Siri®<sup>4</sup> compatibility
- + Multi-Function Display unit (MFD) with 6.3" LCD screen
- + Multi-Information Display unit (MID)
- + USB connections – front centre console (x2)

1. Bluetooth® is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the Bluetooth® wireless technology specification of individual device. 2. Compatible Apple® or Android™ device required. 3. Digital radio reception not available in all areas. 4. Requires compatible Siri® enabled Apple® device to be paired with the infotainment system.

# the perfect mix of luxury and tech

Subaru XV Hybrid S AWD plugs into another level of luxury, safety and advanced technology. The plush, leather accented seat trim is bathed in light from the electric sunroof, while the exterior lower side cladding adds fun appeal. Safety is also front and centre with Subaru's Vision Assist system which uses sensors and cameras to detect objects around the vehicle and assist drivers when parking, changing lanes and reversing. Meanwhile the Side View Monitor helps drivers parallel park perfectly.

## Subaru XV Hybrid S AWD features

### Performance

- + Symmetrical All-Wheel Drive (AWD)

  - + Side View Monitor (SVM)

Subaru XV Hybrid S AWD

# the original and best – just gets better

Everything you love about Subaru's original compact SUV continues to get better. Now there are two ways to embrace the e-Boxer technology, with the Subaru XV Hybrid L AWD and Hybrid S AWD. Choose your level of awesome comfort, convenience and tech – with all the benefits of Subaru's legendary Symmetrical All-Wheel Drive (AWD) capability, strong safety, brilliant entertainment and plug-free, self-charging hybrid driving.

## Self-charging on the go

e-Boxer technology combines an electric motor and high voltage battery with a petrol Boxer engine for better performance and fuel efficiency<sup>1</sup>. Plus, self-charging technology captures braking energy to recharge the battery.

## A perfect match

Subaru e-Boxer hybrid uses power from a compact battery and electric motor to assist the petrol engine – changing between Electric only, Motor Assist and Engine only driving modes to match the conditions.

## 3-way power

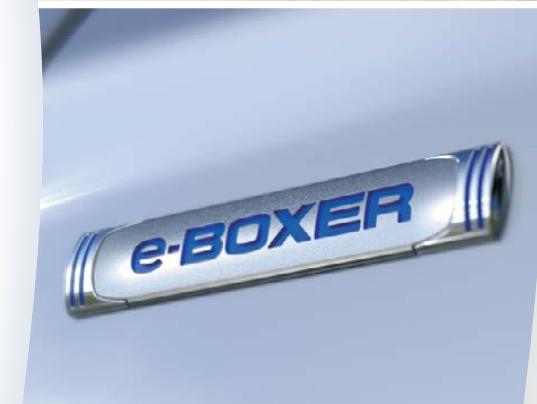

In certain conditions such as when gently pulling away or driving slowly the electric motor powers the car, however when cruising, the petrol engine alone is the most suitable power source. While under other conditions, e-Boxer's Motor Assist engages both power sources for an improved driving experience.

## Framed to deliver

Delivering a linear, highly-responsive drive with excellent handling and stability, the Subaru XV Hybrid L AWD and Hybrid S AWD incorporate structural changes designed to enhance overall torsional and rear suspension rigidity.

## Locked and loaded

Subaru XV Hybrid L AWD and Hybrid S AWD are cleverly designed with the electric motor's battery and other electrical components neatly positioned under the cargo floor, all without compromising the cargo space, height or versatility.

1. In comparison with petrol-only models.

# why XV?

## Symmetrical force of power

### Subaru's All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from Subaru's unique Symmetrical All-Wheel Drive (AWD) system, which delivers the drive distribution to all four wheels, all the time. Every Subaru XV has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

## Boxing clever

### Subaru's famous Subaru Boxer engine

While most engines stand vertically, Subaru's lay flat. The famous Subaru Boxer engine helps to deliver better handling. Sitting horizontally in the engine bay, it moves like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

## Finest safety

### 5 star ANCAP<sup>1</sup> safety across the XV range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru XV to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. The Subaru XV carries the maximum 5 star ANCAP safety rating.

## The backbone of the future

### Subaru Global Platform

Built on the Subaru Global Platform (SGP), the Subaru XV is brilliant to its core. A streamlined frame delivers amazing stability, a smoother ride, more responsive control and an even quieter cabin. The result? The feel-good ride of the year.

Part technology, part process, the SGP is a modular, future-ready foundation for Subaru cars, informing everything Subaru make and do.

## Eyes in the back of your head

### Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to Subaru's rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard on every Subaru XV variant.

## Efficiency without compromise

### Auto Stop Start

Subaru is constantly thinking of ways to help the environment and become more fuel-efficient. That's why Subaru developed Auto Stop Start technology. It saves fuel by cutting the engine when you don't need it, like when you're idling or stopped in heavy traffic. The moment you're ready to move again, the engine restarts in a fraction of a second. Auto Stop Start technology is standard on all Subaru XV variants.

1. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

## Yet another world first

### Lineartronic® CVT

Pushing innovation beyond the bounds, Subaru introduced an automatic transmission called Lineartronic® Continuously Variable Transmission (CVT). And it's the reason Subaru automatic models drive so smooth. It's the world's first longitudinally mounted system for AWD vehicles. Unlike a conventional automatic transmission – which uses fixed gear ratios – Lineartronic® CVT provides infinite variability between the highest and lowest available gear ratios. So you now experience a smooth gear change, into any optimum gear for that moment. Lineartronic® CVT is standard on all Subaru XV variants.

## Get smart

### X-Mode

When the going gets tough, engage Subaru's intelligent X-Mode, standard across the Subaru XV range. Featuring Hill Descent

Control and improved grip and traction in low speed and slippery conditions, X-Mode delivers uncompromising performance in challenging terrain.

## Subaru is looking out for you

### EyeSight® Driver Assist

Subaru was the first car company to exclusively use stereo camera technology to detect objects in the vehicle's path. A sign of Subaru's future-thinking and commitment to quality, technology and safety, EyeSight® Driver Assist is like your second pair of eyes, spotting potentially dangerous situations. If EyeSight® detects anything that might be of danger, it warns you audibly, urging you to take action and brake. EyeSight® is standard on Subaru XV 2.0i-L AWD, 2.0i Premium AWD, 2.0i-S AWD, Hybrid L AWD and Hybrid S AWD.

## Clever thinking

### Subaru's Vision Assist

Subaru's Vision Assist is advanced technology that gives you greater awareness of the world around you. The Vision Assist Blind Spot Monitoring features rear and side sensors that let you know when there's something in a blind spot to make lane changes safer. Rear Cross Traffic Alert can warn you that another car is approaching when reversing out of a car space. Cutting-edge technology to help keep your family safe. Subaru's Vision Assist available on Subaru XV 2.0i Premium AWD, 2.0i-S AWD and Hybrid S AWD.

# safety is in Subaru's DNA

Protecting you and your family while out adventuring in your XV AWD is at the heart of everything Subaru creates and working towards zero road accidents in a Subaru by the year 2030<sup>1</sup> is Subaru's most important safety vision to date.

Underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety working together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic Subaru design principles and advanced safety technologies with a range of cutting-edge future innovations, Subaru aims to provide an inherent safety and peace-of-mind allowing you the freedom to go where the fun takes you.

## Primary Safety

Primary Safety is synonymous with 'visibility'. Subaru believes the early detection of potentially dangerous situations can help prevent accidents, while giving drivers the ability to identify dangers early could result in fewer accidents. That's why Subaru continues to focus on honing designs that improve driver visibility, while enhancing driver alertness and comfort.

## Active Safety

Subaru's commitment to Active Safety has created cars engineered for confident driving in all conditions. As the first brand to introduce Symmetrical All-Wheel Drive (AWD) into the mainstream, the system provides exceptional stability, traction and control in every situation – from off-road weekend adventures to rain-soaked city streets.

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit [www.subaru.co.jp/en/csr/safevehicles.html](http://www.subaru.co.jp/en/csr/safevehicles.html).

## Preventative Safety

Every moment spent in your Subaru is a chance to be spontaneous, while Subaru's Preventative Safety technologies protect you from the unpredictable. As one of the first brands to introduce preventative safety, Subaru technologies not only predict hazards - but also assist the driver in managing them.

## Protective Safety

Subaru's Protective Safety technology is designed to protect both vehicle occupants and pedestrians. From the Subaru Global Platform that underpins Subaru's new generation models, to the shock-absorbing ring-shaped passenger safety cell that protects the cabin, Subaru has always got your back – plus your front and sides too.

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. Bluetooth® is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the Bluetooth® wireless technology specification of individual device. 3. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 4. Compatible Apple® or Android™ device required. 5. Digital radio reception not available in all areas. 6. Requires compatible Siri® enabled Apple® device to be paired with the infotainment system. 7. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 8. The Subaru New Vehicle Warranty period on high voltage batteries for Subaru Hybrid vehicles is 8 years/160,000 kms, whichever comes first. 9. Every eligible Model Year 2021 onward Subaru XV comes with Subaru's 5 Year/62,500 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing). 10. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit [www.subaru.com.au/roadside-assistance-program](http://www.subaru.com.au/roadside-assistance-program).

Subaru XV Hybrid S AWD and Subaru XV 2.0i-S AWD

# make it yours

Subaru has a wide range of Genuine Subaru Accessories to make your Subaru XV even more special. From bike racks, kayak cradles, pet tethers and more. Tailor your XV to be perfect for your life's adventures.

- + Protection      Keep your Subaru XV safe from canine friends and heavy equipment with a range of carpet or rubber mat sets, all weather seat covers<sup>1</sup> and rear step panels.
- + Cargo              Rig up your Subaru XV for action with a tow bar package as well as a wide range of quality Thule sport and cargo accessories, bike and kayak mounts.
- + Security,  
Convenience  
and Safety      Keep your new wheels secure with a set of wheel lock nuts. To help take the stress away with parking in tight spaces we offer front corner and reverse sensors<sup>2</sup>.

Subaru Genuine Accessories are available from your Subaru Retailer, so be sure to ask about the range when buying your new Subaru XV.

1. All weather seat covers suitable for all variants except Subaru XV 2.0i-S AWD and Hybrid S AWD. 2. Reverse sensors suitable for all variants except Subaru XV 2.0i Premium AWD, 2.0i-S AWD and Hybrid S AWD.

# packs that will inspire you

From action-packed to packing the back, these quality Genuine Subaru Accessory Packs will give you the protection you need and versatility you desire to do more with your Subaru XV.

Both stylish and functional, each Protection Pack accessory has been custom made for a tailored fit to complement your Subaru XV and keep it looking good for years to come.

Plus all Genuine Subaru Accessories are protected by our manufacturer's warranty<sup>1</sup>.

## Protection Pack includes:

### a Cargo Step Panel (Resin)

Grab your gear and go without worrying about scratching the rear top face of the bumper with a tailored resin step panel.

### b Carpet Mat Set

Enjoy the comfort with a luxurious Subaru branded quality carpet mat set.

### c Cargo Tray

Throw all the gear in the back with a heavy duty mat to protect the cargo area from dust and dirt.

### d Weather Shields

Sleekly designed and tailored to fit on to each door individually.

## Explorer Pack includes:

Add a Tow Bar to the Protection Pack to squeeze more out of your everyday.

### e Tow Bar

Hook your toys up to a functional and sturdy tow bar engineered specifically for the Australian market.

1. For full warranty terms and conditions, visit [www.subaru.com.au/accessories-information](http://www.subaru.com.au/accessories-information).

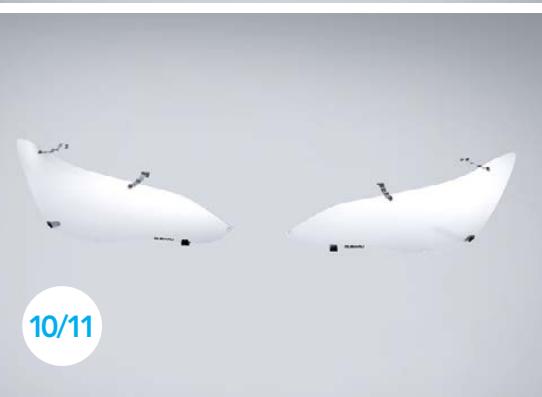

# protect your investment

# welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

## **Subaru New Car Warranty – 5 Year/Unlimited Kilometres<sup>1</sup>**

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty) or ask your Subaru Retailer for more information.

## **Subaru Capped Price Servicing<sup>2</sup>**

With our 5 Year/62,500 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

## **1-Month Health Check and Chat**

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

## **Subaru's Map Updates<sup>3</sup>**

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

## **Subaru Roadside Assistance<sup>4</sup>**

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, our Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 2. Every eligible Model Year 2021 onward Subaru XV comes with Subaru's 5 Year/62,500 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing). 3. Subaru's Map Update Program is available on 2021 Subaru XV models purchased with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit [www.subaru.com.au/servicing/subaru-map-update-program](http://www.subaru.com.au/servicing/subaru-map-update-program). 4. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit [www.subaru.com.au/roadside-assistance-program](http://www.subaru.com.au/roadside-assistance-program).

# live life without limits

## Subaru Certified Collision Repairer Network<sup>1</sup>

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

## Genuine Accessories

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full

range of Subaru XV accessories visit [www.subaru.com.au/xv/accessories](http://www.subaru.com.au/xv/accessories).

For more information on Genuine Subaru Accessories, visit [www.subaru.com.au/accessories-information](http://www.subaru.com.au/accessories-information).

## Subaru Insurance<sup>2</sup>

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. A range of Subaru Insurance options provides a variety of choices, including: Subaru Premier Motor Insurance and Subaru Extended Warranty Insurance.

## Subaru Certified Used Cars

Every Subaru Certified Used Car has passed a 120-point quality inspection and comes with a one year unlimited

kilometre Subaru Assured Warranty<sup>3</sup>

– to complement the balance of a new vehicle warranty or the statutory warranty that remains – from participating Subaru Certified Used Car Retailers.

## Affordable Ownership

Enjoy being on the road for longer, for less with 12 month/12,500km service intervals and 5 Year/Unlimited Km Warranty<sup>4</sup>. The compact SUV is not only affordable to run but allows you the freedom to enjoy where the fun takes you.

1. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit [www.subaru.com.au/retailers](http://www.subaru.com.au/retailers) to find your closest Subaru Certified Collision Repairer. 2. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised retailers have any liability in respect of these policies. 3. The Subaru Assured Warranty product is issued by the selling Subaru Retailer. Subaru Australia has no liability in respect of this warranty. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty).
